

NORTH TEXAS MEASUREMENT ASSOCIATION

"EXCELLENCE IN GAS AND LIQUID MEASUREMENT "

The goal of this organization is to extend and disseminate gas measurement knowledge, combine and acquaint fellow workers, provide social and industrial contact whereby persons engaged in the profession of gas measurement may become more efficient in their jobs, be better prepared for advancement, and to encourage the development of a high degree of recognition for the gas measurement profession.

APPLICATION FOR MEMBERSHIP

I understand that membership eligibility in this association is restricted to those persons actively engaged in some phase of gas measurement work or engaged in the manufacture and/or sale of gas measurement or regulation equipment.

I hereby make application subject to approval as provided in the bi-laws for membership in the
NORTH TEXAS MEASUREMENT ASSOCIATION

The fiscal year begins January 1. Membership dues are assessed at \$30.00 per year.
